

## CSS-1120-113

Product type	Capacitive proximity switches
Rated operating distance sn	4 mm
Mounting	Non-embeddable
Supply voltage range UB	10 ... 35 VDC
Permissible ripple content	≤ 10 % UB
Output current	≤ 2 x 250 mA
No-load supply current	± 15 mA typ.
LED	Yellow
Ambient temperature range TA	-25 ... +70 °C
Ambient temperature range TA US	-13 ... 158 °F
Short-circuit protection	built-in
Polarity reversal protection	Built-in
Degree of protection	IP 67
Housing material	Stainless-steel V2A
Connection 1)	Connector S12
Connection	Connector S12
Setting range	0.5 ... 10 mm
Min. load current	-
